

WEEK OF PRAYER FOR MEN OF THE PROTESTANT FAITH

Will Be Generally Observed "For the Spread of Christ's Kingdom Among Men Throughout the World"—Suggestion Accepted by Christians Everywhere of Every Name.

At a conference of representatives of seven lay brotherhoods in the United States held in Chicago, January 23, 1903, it was voted to recommend to the brotherhoods and to other organizations of men and to missionary boards throughout the world, the observance of the week beginning with the Sunday following the last Thursday in November as a week of special prayer for the spread of Christ's Kingdom among men throughout the world. The present week is the one referred to, and it will be observed in Calumet.

The suggestion was very generally accepted by Christians everywhere of every name. Brief suggestions of topics for prayer and meditation were issued, which were printed in full in very many religious papers, and of which in limited form, about 350,000 copies were circulated. It was translated into Chinese and in Italian into Portuguese.

At a similar conference held in Pittsburgh February 25, 1903, at which were present representatives of the Baptist, Congregational and Methodist brotherhoods, the Presbyterian Brotherhood of America, the United Presbyterian Men's Movement, the Brotherhood of Disciples of Christ, the Federation of Men's church organizations, the Brotherhood of St. Andrew and of Andrew and Philip, the International Y. M. C. A., the National League of Universalist Laymen, the Presbyterian Brotherhood in the Southern Church, the National Conference of Church Clubs, the Laymen's Missionary Movement, the Federal Council of Churches of Christ in America, and the Laymen's Evangelistic Conference, it was voted to urge the observance of a similar week again. Since the conference, promises of co-operation have been received from the Men's Organization in the Lutheran church and the Brotherhood of St. John, in the United States, and from the Brotherhood of St. Andrew in Canada, the West Indies, England and New Zealand, from the church of England's Men's Society, and from the heads of several churches in Asia and Africa.

It was voted also to recommend to the brotherhoods to co-operate in the International Y. M. C. A. week of prayer for young men during the second week of November, 1903.

A party of twenty-five members of the Finnish Knights of Kaleva are expected home today from Ishpeming, where they attended the gathering of U. P. knights of the order.

Mrs. Thomas Gray and the Misses Lottie and Ruth Gray, of Calumet avenue, are home from Michigan where they spent a few days last week.

UNCLE SAM TELLS HOW TO ADDRESS LETTERS CORRECTLY

Calls Attention of Postmasters to Proper Manner of Addressing Mail Matter and Asks Them to Co-operate With the School Authorities in Instructing Children.

Uncle Sam is in distress. He desires his children to address envelopes correctly, and in exactly one way, in order that letters may go right and that postal clerks be saved from distraction. The old man has studied the matter carefully and is perfectly clear in his convictions. First on an envelope should be the return card in the upper left hand corner, with the stamp of course in the upper right, then, though the center:

1. The name; below it slopingly—
2. The street number; then—
3. The city; and lastly—
4. The state. Thus—

Mr. Frank B. Jones,
2416 Oak Street,
Oswego,
Ohio.

Precisely that way and no other! It may be noted particularly that the street should go under the name—not down in the left corner where it frequently is placed. Uncle Sam—so he informs the postmasters—doesn't like the hump-tious type-writers' arbitrary lines in lining up the address so—

Mr. Frank B. Jones,
2416 Oak Street,
Oswego,
Ohio.

That's the style, flat and horrid, and is to be religiously discontinued by all postmasters who are so situated that they can exercise an independence without concern respecting the effect upon the fair typist.

Uncle Sam calls the first style above given his "model form," and he writes that even school children could be instructed to address mail matter in that exact manner. All postmasters have just had their attention called to an order of September 18, 1903, directing postmasters to co-operate with school authorities in giving instructions to pupils in postal matters, especially the proper addressing of mail matter, as above indicated. Postmasters also are urged to use every legitimate means to bring to the attention of the public the importance of placing the return address on all letters and parcels.

Further, Uncle Sam requests that ink be used in addressing letters or other mail matter.

Since more than thirteen million pieces of mail matter were sent to the division of dead letters last year, a large proportion of which could not be delivered because of carelessness in writing addresses, it is not surprising that Uncle Sam should be anxious for the public to exercise more gumption in postal matters.

Our Geographical Center.

If Alaska be excluded from consideration, Kansas is geographically the central state of the United States. It lies between longitudes 94 degrees 38 minutes and 102 degrees west, and between latitude 37 degrees and 40 degrees north.

ADDITIONAL HOUGHTON TEAM WHICH BEAT HOUGHTON LOSES TO CHIPPEWA FALLS

Concerning the game between Marinette, the team which defeated Houghton at Marinette on Thanksgiving day, and Chippewa Falls at Milwaukee Saturday afternoon, the Milwaukee Journal has the following to say concerning the victory of Chippewa Falls for the high school football championship of Wisconsin and upper Michigan.

There was another surprise sprung on Marinette field Saturday afternoon when the light but fast Chippewa Falls team scored nine in the first half of a fast game which was to decide the state high school football championship. The final score was 15 to 0.

Before the game Marinette was the favorite, but Chippewa Falls started in with a rush and closed the ends for good gains. The Chippewa backfield played a great game. Dorais, the quarterback, scored the first field goal on the Marinette field when he put the ball over fairly between the goal posts from the 25-yard line in the first half. Marinette used nothing but straight, old-style football, hoping to wear down the light Chippewa Falls line.

Ackley, L. DeLong and Wilson reeled off long end runs, and Hunt, right tackle, and DeLong, left tackle, opened up wide gaps in the Marinette line for the backs. Velle, the left end of the Chippewa Falls team, played a star game. Stevenson Duckett and Coburn were the stars for Marinette.

In the second half Marinette continued to pound the line with old-style football, and weight soon began to tell on the light Chippewa Falls line. The latter team, however, continued to hold the ball during the greater part of the half and reeled off sensational end runs.

DEER SEASON COMES TO A CLOSE TOMORROW NIGHT

The deer season for 1903 will close at midnight tomorrow night and all deer to be lawfully killed in the state of Michigan before 1910 must be shot today and tomorrow. A few deer were shipped to Houghton Sunday and today but the largest number will probably come in within the next few days. Three days grace are allowed in which deer may be brought in after the close of the season.

The number of deer licenses issued at the county clerk's office this year shows a slight decrease from the number issued a year ago. More than 1,500 were sold last year, while the number to date this year is about 1,475. Two deer licenses were issued this morning which goes to show there are some who are still determined to try their luck.

AMPHIDROME IS CLOSED.

Big Rink Closes Successful Roller Skating Season Saturday.

After the most successful roller skating season in the history of the Amphidrome the big rink closed its doors for that particular kind of pastime Saturday evening. Manager McNamara stated this morning that in point of attendance the figures were the largest ever, which goes to show that roller skating is more popular than ever with the Portage lake public.

A large force of men were at work Sunday removing the hardwood floor which is put down in sections. Work will be started this week getting the rink ready for the ice skating season. The Quincy band will give a promenade in the rink next Saturday evening. Accompanying the close of the roller skating season the annual custom of awarding a season ticket to a lady and another to a gentleman, holding the lucky numbers, was carried out. Joe Francis of Hancock and Mrs. Mari Kane of Houghton were the fortunate people.

IN THE CIRCUIT COURT.

Circuit court resumed sessions this morning after a brief recess. The time is taken up with the Phillips case, which is an appeal from the probate court. The jury was drawn and the case started shortly after 10 o'clock. The case will last through the day and a portion of tomorrow. Judge Streetor has done nothing with the Hamilton case as yet and will probably not give any decision in the matter for a few days. The Phillips case is the last jury trial to be tried this term.

LARGEST FREIGHT TRAIN.

One Consisting of 32 Cars Hauled on Copper Range Yesterday.

The Copper Range railroad hauled its largest freight train in the road's

LAURIUM

ITALIAN SOCIETIES TO AID
SUFFERING CHERRY FAMILIES

Meeting Held Recently in Office of Italian Consular Agent Lisa When the Matter Was Discussed—All Societies in U. P. Federation Will be Asked to Contribute.

Not only are the Calumet & Hecla miners taking steps to raise funds for the relief of the relatives of the victims of the terrible catastrophe in the St. Paul coal mine at Cherry, Ill., but the several Italian societies of Calumet and Laurium also are interested and a large fund will be raised.

A meeting with this purpose in view was held recently in the office of Italian Consular Agent James Lisa, when the presidents of the nine Italian fraternal and other societies were present, and discussed the situation. The work of raising a relief fund is to be started immediately. It is expected that all the Italian societies in the newly-or-

ganized Upper Peninsula Federation of Italian clubs and societies will contribute to this fund. The money is to be sent to Cherry as soon as it is raised.

Steps were taken following the meeting to notify the several secretaries affiliated with the U. P. federation, outside of Calumet, of the action that had been taken, with a recommendation that contributions to the fund be made. This is likely to be favorably acted upon in every instance.

Several Italians, formerly residents of the U. P., were victims of the disaster. Definite news concerning the Italians from this district, who are thought to have lost their lives there, is awaited locally. It is the knowledge that former U. P. workmen suffered in the catastrophe, coupled with a desire to help the stricken, that prompted the Italian societies to assist.

MAY ORGANIZE CLUB.

One for Athletic Purposes Proposed by Laurium Young Men.

There is some talk of organizing an indoor athletic club in Laurium. A number of young men have been talking the matter over, and providing a suitable hall can be secured it is believed an organization will be effected.

Some time in the near future the young men will call a meeting for the purpose of getting some definite ideas as to the advisability or otherwise of organizing.

If the Laurium town hall can be secured some nights each week, it would be the ideal place, it is argued. This matter would have to be taken up with the village authorities, however. It is proposed to charge an admission fee to the club, also so much per month or quarter as may be decided on. An athletic outfit would be secured, and somebody familiar with gymnastic work employed. Whether the proposition will meet with local favor enough to warrant organization remains to be seen.

TWO DEER ARE SEIZED.

Game Warden St. Clair Wilson seized two deer claimed by Morris Levine, a fur dealer and cattle buyer of Houghton Sunday morning. The game warden claims that Levine purchased the deer in Baraga county Saturday and had them shipped to Houghton. The game warden was in Baraga Saturday afternoon and came to Houghton on the same train the deer were shipped.

Levine left here Saturday morning to hunt deer and claims to have shot both deer between Keweenaw Bay and Baraga. When seized the deer had Levine's tags on, but these were quickly removed and they were "tagged" to the county infirmary.

HOTON BREVITIES.

The weather the latter part of the week brought out the usual exclamation "what unusually mild weather we are having at this time of year!" But the weather man says there was nothing very unusual about it, that the weather a year ago was just about the same. The latter part of November a year ago is recorded as warm.

The Misses Marion and Dorothy Shields entertained 25 of their girl friends with a party at the home of their parents, Mr. and Mrs. R. H. Shields, Saturday afternoon.

Mrs. George Leach and daughter, Ruth, have returned to their home in Gladstone, after an extended visit with her parents, Mr. and Mrs. Joseph Greenleaf.

J. E. Brennan of L'Anse was in the city yesterday.

Weber and Bloomberg, proprietors of the Lake Superior Sausage factory, sold their business last week to Huhn and Huhnman of Hancock. The plant is located in the old Haas brewery building.

A hockey team has been organized at Redridge and admittance to some league is sought. The Redridge team will secure the Amphidrome for whatever games are arranged and will put a fast seven on the ice.

It is not probable now that the new Houghton public library will be opened to the public until the first of the year.

Miss Grace A. Ware, librarian, is indexing and cataloging the literature on hand.

Leon Flannigan of Marquette has arrived in Houghton to take a position with A. H. Kriger & Co. He will represent the firm in the eastern part of the upper peninsula.

THE PRESIDENT IN CALUMET DR. HAWLEY

President of the German and English Staff of Physicians and Surgeons. Composed of German, English and American Doctors, now permanently located at the

Central Hotel

AND WILL RENDER SERVICES TO THE SICK.

FREE

UNTIL THE EVENING OF JAN 1ST.

You need not bring money, as consultation and advice is free, the rich and poor alike treated. All who call upon the doctors before the above date will receive consultation, examination, advice and surgical operations free. All that is asked is that every person treated will state to their friends the result obtained by their new system.

The object in pursuing this course is to become rapidly and personally acquainted with the sick and afflicted. ALL DISEASES OF MEN, WOMEN AND CHILDREN TREATED.

These doctors are said to be the greatest Stomach, Liver and Kidney Specialists in America.

No matter what your disease may be or of how long standing, the doctors will locate your disease without asking you any questions.

RUPTURE POSITIVELY CURED

In three treatments, many cured with one. No knife, no pain, no risk, no detention from business.

These doctors are skilled specialists and will be found ready and willing to extend the hand of help, bringing back health and happiness where now exists sickness and sorrow. A special invitation to anyone suffering from disease pronounced incurable. It matters not what your disease may be, go and be examined; if curable, they will treat you; if incurable, advise you. These doctors treat every variety of disease and deformity. They have had a vast experience in London, Paris, Heidelberg and Stockholm.

OFFICE HOURS: 9 a. m. to 2 p. m.
